

10TH GRADE

STAY INVOLVED AND CONTINUE TO EXPLORE YOUR INTERESTS.

- Continue to stay involved in school clubs, after school programs and volunteering. Track your volunteer hours using a spreadsheet.
- Check out collegereadyaz.com/explore-majors-and-degrees/ or aztransfer.com to see what college majors you might be interested in.

LOOK INTO SUPPORT AND MENTORING PROGRAMS.

- Research and check out collegereadyaz.com/affordability-for-arizonans to see what support you might be eligible for in your area.

THINK ABOUT WHAT CERTIFICATE OR DEGREE YOU WILL NEED FOR YOUR FUTURE CAREER.

- Read about the differences between a certificate, associate, bachelor's and other advanced degrees.
- Discover what certificates and degrees Arizona colleges offer by exploring the universities' websites.

TAKE THE RIGHT CLASSES.

- Meet with your school counselor to make sure you're on track to complete required math classes no later than the end of 11th grade.
- Ask your counselor about dual enrollment/Advanced Placement courses available at your high school.

START PREPARING FOR THE ACT.

- Get free ACT test prep materials and study! Your ACT score will help determine your eligibility for some scholarships.
- Download the [free ACT app](#) to get daily ACT test prep questions.

RESEARCH AND APPLY FOR SCHOLARSHIPS.

- Look for scholarships and apply to at least one this year. Keep your scholarship resume updated.
